We're so glad you're here!

Welcome to the 7th Annual Health Expo, hosted by the Chaves County Health Council. This event is all about celebrating our community's commitment to wellness, connection, and support. Whether it's your first time attending or you've joined us before, we're excited to share a day filled with resources, activities, and inspiration to help you and your family live your healthiest life.

As you explore the expo, be sure to visit our diverse range of vendors—local organizations, service providers, and wellness experts—who are here to connect with you, answer your questions, and offer support. From head-to-toe health information to a fun run benefiting our local Boys & Girls Club, and even door prizes to end the day, there's truly something for everyone.

We're also proud to provide the second annual Chaves County Resource & Wellness Guide, available here at the event. This guide has been thoughtfully created to help you find the services, programs, and support systems available across our region. Whether you need help with healthcare, food, housing, mental health, or more, this guide is your starting point.

As part of our ongoing commitment to being a community resource, we encourage you to:

- Use our 211 Information Line (just dial 211 or 575-550-5585) to quickly connect with local resources whenever you need them.
- Visit our website at www.chavescountyhc.org for the online version of the guide and other helpful tools.
- Give us your feedback—your input will help shape future editions of the guide so it continues to meet community needs.

Finally, we invite you to get involved! The Chaves County Health Council is made up of volunteers who care deeply about making our county the best place to live, work, and play. We meet monthly to share ideas, plan events, and promote health and wellbeing throughout the region. If you're passionate about helping others and improving our community, we'd love for you to join us.

Thank you for being here today and for being part of something bigger. Together, we can build a healthier Chaves County—one connection at a time.

Our Thanks to YOU!

**Building a Healthier Community,
One Member At A Time.**

Our Goals

**INCREASE HEALTH COUNCIL MEMBERSHIP**

The health council strives to create a diverse membership. The council will increase council members by participating in membership drive - Town Hall – other activities

**REDUCE DEATHS BY FIREARMS**

Promote and giveaway gun locks and support veteran programs and events to encourage overall health & wellness

**YOUTH EDUCATION & AWARENESS**

The council will promote youth education and awareness by volunteering and providing support

**ANNUAL CHAVES COUNTY HEALTH EXPO**

Plan annual health fair where community members can be linked to resources and receive information on prevention and education for healthy lifestyle.

**CHAVES COUNTY 2-1-1 RESOURCE LINE**

Provide support and cell phone service for the implementation and management of the 211 Information System, print and distribute resource guide to the community.

**FOOD INSECURITY**

Design and implement a program to address food insecurity with-in Chaves County.

**OVERDOSE PREVENTION & EDUCATION**

Assess community levels of stigma and overdose prevention awareness, promote activities and educational events.

The truth is simple. Our children and families are enduring **adverse childhood experiences** and trauma, leading to our most costly health, safety, and education challenges.
We know the solution.

The 100% Chaves County initiative is a bold strategy designed to ensure **100% of our residents are protected and connected** to five surviving and five thriving services. We believe everyone deserves to have a fully resourced life.
